

**Earn
Act 48
Hours!**

The Cooperative Learning workshop will:

- * Discuss the five elements essential for every cooperative learning group activity
 1. Positive Interdependence
 2. Promotive Interaction
 3. Individual Accountability
 4. Taking on interpersonal and small group roles directed toward attaining academic achievement
 5. Group Processing
- * Engage students in divergent thinking, risk taking, problem solving, perspective taking and creativity.

The Differentiated Instruction workshop will show how a differentiated approach helps teachers to:

- * Identify the diverse learning needs of their students
- * Understand the learner needs that impact students achievement of learning goals.
- * Adapt instructional plans to maximize success for each learner
- * Create classroom routines that support differentiation
